

Territory Proud

Music and Lyrics by Jon Davis © Jon Davis 2011

Verse 1

Our journey from the Dreamtime has led us here today
We have Desert People, Salt Water People, and those from far away
We care for one another, as we stand out from the crowd
Side by side, we sing as one; Territory Proud

Verse 2

Territory life is special; unique in every way
Where ochre soil meets sunburnt skies at the end of a perfect day
And then there comes the lightning and dark, monsoonal clouds
There's nowhere else on Earth like this, that's why we're Territory Proud

Interlude

Verse 3

As we look toward the future, we cherish our history
And we are proud to call our home 'The Northern Territory'
Our culture and our values, we always will enshroud
With open hearts and open minds, we're Territory Proud

(Ritardando to finish)

We all stand tall and sing it loud; Territory Proud
